Commenti del manager:

Molte stazioni Siciliane sono cresciute, in questi anni di attività, e abbiamo ricevuto da loro dei log ricchi e ben fatti.
 Il QRB di IQ9UI ci insegna che il limite dei 60KKm e 150 QSO dalla Sicilia non esiste: i team bene organizzati vanno oltre!
 Speriamo di organizzare presto un evento in Sicilia in cui fare una bella cerimonia di premiazione: ce la meritiamo!
